*The Couture Collection*

a L A  B O Y company

A photograph of a dining room. In the foreground, a round, dark-stained wooden table is set with white dishes, glassware, and a large, clear glass vase filled with pink and white lilies. Several upholstered chairs with dark wood frames and curved legs are arranged around the table. The chairs have a light-colored fabric with a subtle floral pattern. In the background, a large, multi-paned window or glass door looks out onto a green landscape. To the left of the window, three small, framed pictures are hung vertically on the wall. The floor is made of light-colored, large tiles.

*"I feel that every room in a house should be like a jewel box; full of beauty, surprises and sentimental value."*

*— Jessica*

## *The past... the present... the future.*

Jessica McClintock, a mother of a young son, arrived in California in 1969 with a teaching credential in hand. Eager to be an educator, Jessica soon learned of a small apparel company known as Gunne Sax. A modest investment soon led to the birth of a premier design house... Jessica McClintock, Inc.

Jessica McClintock, a name synonymous with romance, used skills learned at an early age from her beloved seamstress grandmother, to become a fashion icon to a generation. Before long, Jessica had turned Gunne Sax into an empire now known as Jessica McClintock, Inc. Continually creating new and innovative designs, Jessica has expanded her single line of dresses, Gunne Sax, to a multifaceted apparel company, composed of design divisions that cater to the bridal, designer, missy, junior and children's wear customers.

Without ever losing the primary focus of romance, Jessica McClintock, Inc., now encompasses a vast national and international wholesale business selling Jessica's designs throughout North America, Europe, Asia and the Middle East. Using the same passion and creativity, Jessica has also expanded her business empire by venturing into the highly competitive retail market with 37 company owned boutiques.

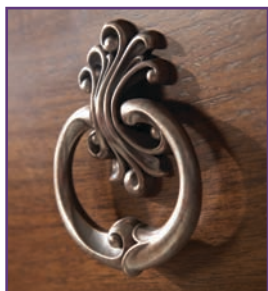

Jessica McClintock, a self-made woman, continually establishes herself as a major leader in any field she pursues. Using technology, business acumen, and creativity, Jessica McClintock embraces the challenges of the next century.

## JESSICA MCCLINTOCK HOME

*The Couture Collection*

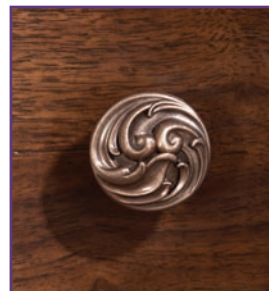

Welcome to the Jessica McClintock Home - Couture Collection, by American Drew. The Couture Collection combines the romantic elements of Jessica into a “New Traditional” styling. This collection truly captures the past, present and future together.

The combination of materials such as fine veneers, marble, leather and mirror, the dramatic serpentine and bowed shapes, the use of elements from fashion and nature, and the custom, jewelry-like hardware all add a unique flare to this collection that is like nothing before.

The Couture Collection is crafted from highly figured Walnut Veneers, Prima Vera and Maple Marguetry in a Mink finish. A Silver Leaf finish is offered on select pieces, giving them a soft, veiled-platinum appearance.

Unique pieces abound in Jessica McClintock Home - The Couture Collection. The Antiqued Mirror Leg Dining Table, the Silver Toned Leather Bed, the Dressing Armoire and Silver Leaf Serpentine Chest all create beautiful focal points in every room of your home.

Gracious scaled items, eclectic mixture of materials and designs and the romantic touch of Jessica come together to create a collection of furniture that will add a high end style to any home.

## CARE & CLEANING

### CARE OF FINE FINISHES

American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.

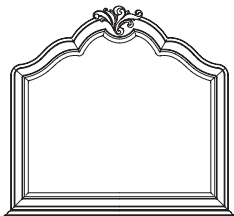

### CARE OF MARBLE TOPS

To keep your marble looking its best, you must do the following. Clean with a damp cloth, wipe up spills immediately. Other types of polishes may harm the finish. Never use harsh or abrasive cleaners.

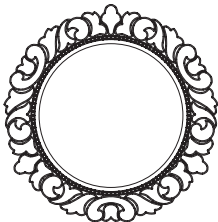

### CARE OF DECORATIVE HARDWARE

The decorative hardware on this furniture has been protected with a clear lacquer coat. The use of harsh detergents or brass polish in an attempt to clean or obtain higher luster will result in the removal of the protective lacquer and will damage the finish of the hardware. Use a soft damp cloth to remove dust.
