EN Replacing Nexxt misting dryer hose assembly 646254

Nexxt misting dryer supply hose assembly **646254** with Aquastop™ hose is no longer available. If desired, it can be replaced with supply hose assembly **649745** with standard hose. If not, all individual parts are available separately as follows:

- **646221** cold water Aquastop™ hose
- **613201** “Y” adapter
- **645787** 6” extension hose (for tight spaces like faucet outlet boxes)
