FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

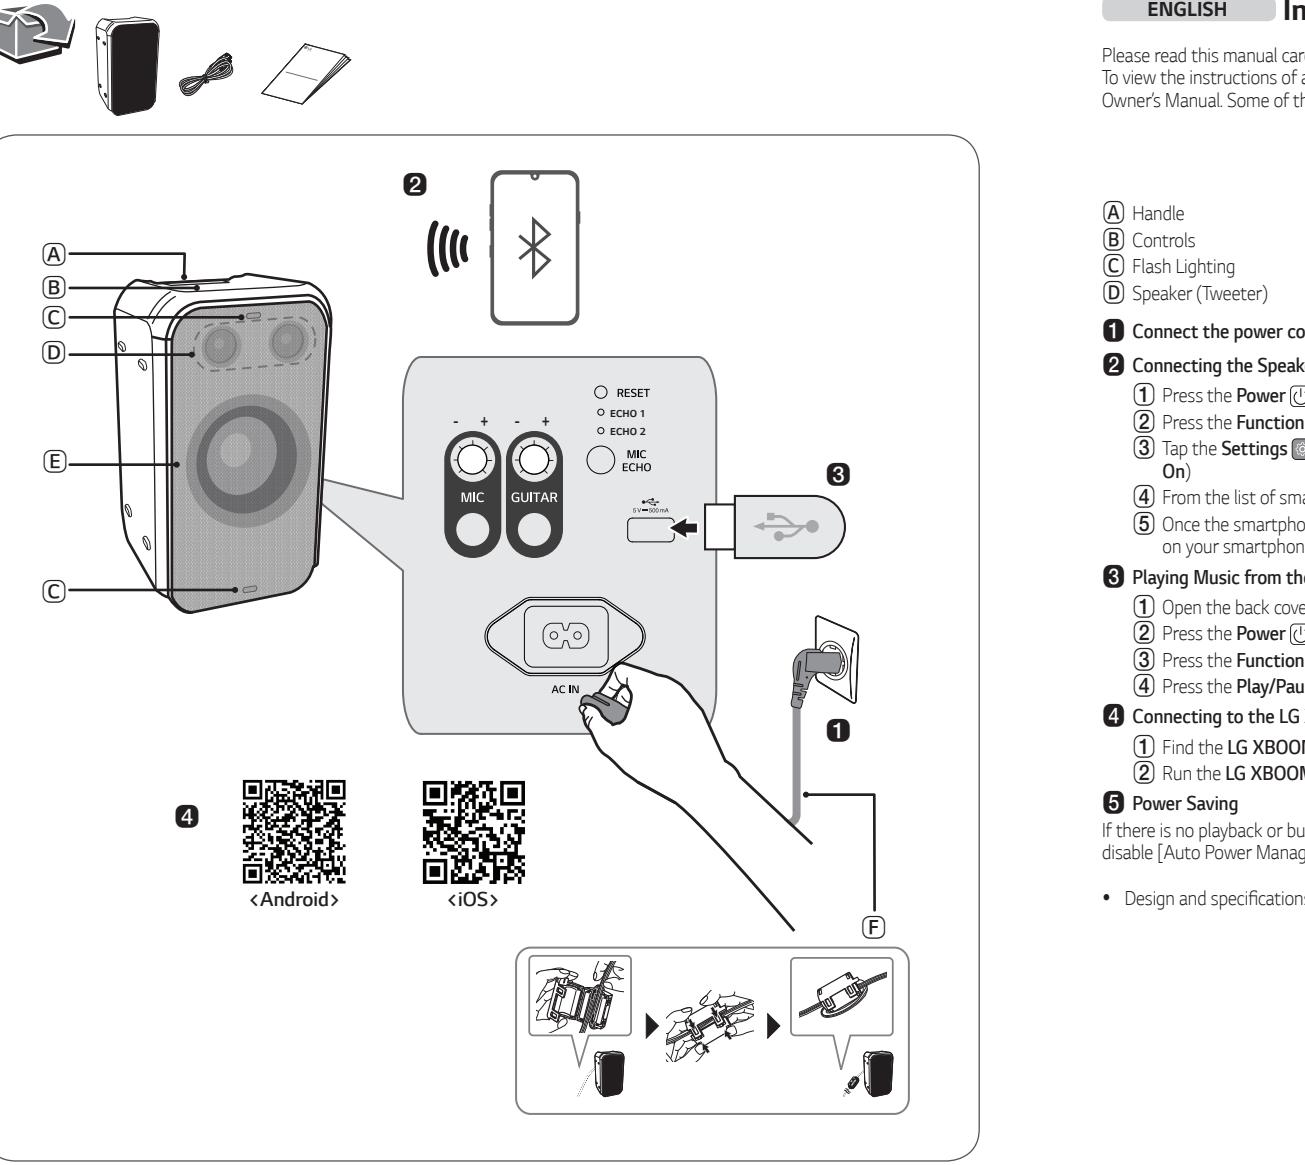

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications in construction of this device which are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with minimum distance 20 cm (7.8 inches) between the antenna and your body. Users must follow the specific operating instructions for satisfying RF exposure compliance.

PROCEDURE FOR RESOLVING DISPUTES:

ALL DISPUTES BEING FOLDED, ARISING OUT OF, OR RELATED IN ANY WAY TO THIS LIMITED WARRANTY OR THE PRODUCT SHALL BE RESOLVED EXCLUSIVELY THROUGH ARBITRATION, AND NOT IN COURT, OF GENERAL JURISDICTION. BINDING ARBITRATION MEANS THAT YOU AND LG ARE EACH WAIVING THE RIGHT TO A JURY TRIAL AND TO BRING OR PARTICIPATE IN A CLASS ACTION.

Definitions. For the purposes of this section, references to "LG" mean LG Electronics U.S.A., Inc., its parts, subsidiaries and affiliates, and each of their officers, directors, employees, agents, beneficiaries, predecessors in interest, successors, assigns and suppliers; references to "dispute" or "claim" shall include any dispute, claim or controversy of any kind whatsoever, whether based on contract, tort, statute, regulation, ordinance, fraud, misrepresentation or any other legal or equitable theory, arising out of or relating to any way to the sale, condition or performance of the product or his Limited Warranty.

Notice of Dispute. In the event you intend to commence an arbitration proceeding, you must first notify LG writing at least 30 days in advance of initiating the arbitration by sending a letter to: LG Electronics U.S.A. Inc. Legal Department, Arbitration 1, 1 Sylvan Avenue, Englewood Cliffs, NJ 07632, USA. You and LG agree to engage in good faith discussions in an attempt to amicably resolve your claim. The notice must provide your name, address, telephone number, and email address. If you and LG are unable to resolve the dispute within 30 days, either party may proceed to file a claim for arbitration.

Agreement to Binding Arbitration and Class Action Waiver. Upon failure to resolve the dispute during the 30 day period after sending written notice to LG, you and LG agree to resolve any claims between us only by binding arbitration on an individual basis, unless you opt out as provided below. Any dispute between you and LG shall not be consolidated or arbitrated with any dispute involving any other person's or party's product or claim. More specifically, without limitation of the foregoing, any dispute between you and LG shall not under any circumstances proceed as part of a class or representative action instead of arbitration, either jointly or individually, in individual or class claims, or by arbitration on a class or representative basis.

Arbitration Rules and Procedure. To begin arbitration proceedings, you must file a claim with the American Arbitration Association ("AAA") in accordance with the AAA Consumer Arbitration Rules ("AAA Rules") then in effect. You can find the AAA Rules at www.adr.org/consumer. You must also send a copy of your demand for arbitration to LG at LG Electronics U.S.A. Inc. Legal Department, Arbitration 1, 1 Sylvan Avenue, Englewood Cliffs, NJ 07632, USA. If there is a conflict between the AAA Rules and the rules set forth in this section, the set forth in this section will govern. This arbitration provision is governed by the Federal Arbitration Act. Judgment in an arbitration may be entered in any court of competent jurisdiction. An award in the arbitration may be made in accordance with the AAA Rules and enforcement of the award may be sought in any court of competent jurisdiction. The parties shall be bound by the award and shall not thereafter have the right to sue on any theory to redress the dispute. The arbitration award may be reviewed for reasonableness only if the award is set aside or vacated by a court of competent jurisdiction.

Governing Law. The law of the state of your residence shall govern this limited warranty and any disputes between us except to the extent that such law is preempted by or inconsistent with applicable federal law.

Fee/Costs. You do not need to pay any fees to begin an arbitration. Upon receipt of your demand for arbitration, LG will promptly pay all arbitration fees for the AAA unless you seek more than \$2,500 in damages, in which case the payment of fees will be governed by the AAA Rules. Except otherwise provided herein, LG will pay all AAA filing, administration and arbitrator fees for any arbitration initiated in accordance with the AAA Rules and this arbitration provision. If you prevail in the arbitration, LG will pay your attorney's fees and expenses as they are reasonable, considering the circumstances and, but not limited to, the purchase amount and claim amount. Notwithstanding the foregoing, if applicable law permits, the arbitrator awards to the substance of your claim or to the relief sought in the demand, frivolous or otherwise, or for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11), then the parties will split the arbitration fees as measured by the AAA Rules. In such a situation, you are responsible for all fees previously disbursed by the AAA. Otherwise, your obligation to pay under the AAA Rules, except as otherwise provided, will cease if your claim exceeds \$2,500. The amount to be heard will be determined by the AAA Rules. Any person arbitrating a claim will be held at a location within the federal judicial district in which you reside unless you agree to a telephone arbitration.

Opt Out. You may opt out of this dispute resolution procedure if you opt out, neither you nor LG can require you to participate in an arbitration proceeding. To opt out, you must send notice to LG no later than 30 calendar days from the date of first consumer purchase of the product by either (i) sending an e-mail to opt_out@lg.com, with the subject line "Arbitration Opt Out" or (ii) calling 800-92-2737, you must include in the opt out e-mail your phone number, your name and address, (iii) the date on which the product was purchased; (iv) the product model name or model number; and (v) the serial number (the serial number can be found on the product or (iv) online by accessing <http://www.lg.com/us/support/repair-service/schedule-repair-and-call-center> and clicking "Find My Model & Serial Number".

You may only opt out of the dispute resolution procedure in the manner described above (i.e., by e-mail or telephone); no other form of notice will be effective to opt out of this dispute resolution procedure. Opting out of this dispute resolution procedure will not affect the coverage of the Limited Warranty in any way, and you will continue to enjoy the full benefits of the Limited Warranty. If you keep this product and do not opt out, then you accept all terms and conditions of the arbitration provision described above.
