

LX114LGT1

19.25" x 13.75" x 17.25" (H x W x D)

BeautiFridge compact cosmetics refrigerator with mirror-tinted glass door, black cabinet, lock, glossy mint shelves, and digital controls set for the storage of beauty products

Highlights:

Perfectly sized to fit into bathroom fixtures, powder rooms, or vanity tables

Double paned tinted glass door saves energy with added insulation of interior contents

Adjustable digital controls specially set to run at the proper storage temperature for most beauty products

Product Features:

Specially designed for cosmetic storage	Warmer temperature setting via digital controls allow the perfect storage conditions for high value creams, cosmetics, and perfumes
Ideal storage temperature	Operates between 42° and 65°F to keep cosmetics properly cooled
Digital thermostat	Adjustable thermostat located inside to prevent unsupervised temperature changes
Compact dimensions	Less than 14" wide and 18" deep to allow for placement on vanities, countertops, and similar spaces
Double pane mirror-tinted glass door	Allows door to serve as a mirror while saving energy, reducing UV lights/glares, and better insulating interior contents
Automatic defrost	No-frost convenience for reduced user maintenance
Factory installed lock	Keyed lock for a secure interior, with 2 keys included
Adjustable shelves in a glossy mint finish	Two powder-coated metal shelves can be placed in a variety of positions for optimum storage, with a versatile design that allows you to display the high shelf lip or reverse to show more of your stored items
Bottle shelf	Lower shelf features a variety of cutout sizes for upright storage of serums, creams, and similar cosmetics
