

## Odor filter HEZVEUD362

- Recirc/Filter Kit for 800 & Benchmark Series – 36” Wide
- Replacement Charcoal Filters for Bosch 800 & Benchmark Series 36” Under-cabinet Hoods in recirculation mode
- Please check for compatibility with your ventilation before purchasing
- Efficiently neutralizes odors in your kitchen so cooking aromas and fumes don't linger while you are cooking
- Charcoal filters should be replaced when they are noticeably dirty or discolored (usually every 4 to 6 months, depending on usage)

Product group: ..... Accessory  
 Brand: ..... Bosch  
 Product name / series name:  
 SKU: ..... HEZVEUD362  
 Internal article number: ..... 00000000012052069  
 EAN code: ..... 4242005450176  
 Product Packaging Dimensions (HxWxD): ..... 4.33 x 9.05 x 9.05  
 Net Weight: ..... 1.000 lbs  
 Gross Weight: ..... 1.000 lbs  
 Quantity per packing unit: ..... 24  
 Standard number of units per pallet: ..... 144  
 UPC code: ..... 825225972860
