

# ALFZ37BFROST

32" x 19.88" x 22.5" (H x W x D)

COLD CAVERN beer froster, Summit's built-in undercounter ADA compliant freezer that stores aluminum bottled beer at 24°F; manual defrost operation with door decal and black cabinet finish

### Highlights:

- Designed to store beer just above the freezing point
- Just 32" high for an easy fit under lower ADA compliant counters
- Flexible design allows built-in or freestanding use in 20" wide spaces

### Product Features:

|                           |                                                                                                           |
|---------------------------|-----------------------------------------------------------------------------------------------------------|
| Beer Froster              | Specially designed to keep lighter brews at their coldest possible serving temperature                    |
| Pre-set to 24°F           | Ideal temperature for storing aluminum bottles and cans of ice cold beer                                  |
| Built-in capable          | Front-breathing design lets you make the best use of space by installing your appliance under the counter |
| ADA compliant design      | 32" height allows easy installation under lower ADA compliant counters                                    |
| COLD CAVERN decal on door | Bring arctic style to the home with SUMMIT's own decal on the front                                       |
| Adjustable thermostat     | Digital thermostat offers easy temperature management with a readout in Fahrenheit or Celsius             |
| Adjustable shelves        | Three adjustable wire shelves for optimal storage in the 2.68 cu. ft. interior                            |
| Door shelves              | Three removable door racks for accessible storage of bottles and cans                                     |
| Magnetic bottle opener    | Handy removable door magnet included for your convenience                                                 |
