Stainless Steel with  
Brushed Stainless  
handles and knobs

## FEATURES & BENEFITS

Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six-burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K Power Boil™ burner to boil water quickly for al dente angel hair pasta

Everything you need for unforgettable results - Get the precision you need to pull off a multi-course dinner party with this 7.0 cu. ft. double oven, dual-fuel range, which boasts a gas-powered cooktop for precise heat control and electric True European Convection with Precise Air in the oven for even baking results

Never-scrub, smooth-glide racks - Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly and stay in the oven during the self-clean cycle, so you never have to handle cumbersome racks again

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door

## WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmartHQ™ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire

No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
