

# ALFZ37BIF

32" x 20.25" x 23" (H x W x D)

Built-in undercounter ADA compliant residential all-freezer in black with door storage and manual defrost operation

## Highlights:

Just 32" high for an easy fit under lower ADA compliant counters

Flexible design allows built-in or freestanding use in 21" wide spaces

Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry

## Product Features:

|                       |                                                                                                                                                                                                                                     |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant design  | 32" height allows easy installation under lower ADA compliant counters                                                                                                                                                              |
| Built-in capable      | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                           |
| Panel-ready door      | Integrated stainless steel door frame accepts full overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design; panel size: 19 13/16" W x 27 1/8" H; customers provide their own handles |
| Adjustable thermostat | Digital thermostat offers easy temperature management with a readout in Fahrenheit or Celsius                                                                                                                                       |
| Door shelves          | Three removable door racks for additional storage of larger items                                                                                                                                                                   |
| Adjustable shelves    | Three adjustable wire shelves for optimal storage in 2.68 cu. ft. interior                                                                                                                                                          |
| 3" thick door         | Improved insulation for an efficient performance                                                                                                                                                                                    |
| Temperature alarms    | User-set high/low temperature alarms provide added security if temperature goes beyond setpoint                                                                                                                                     |
| Open door alarm       | Audible alarm will sound if the door is left ajar for over a minute                                                                                                                                                                 |

ALFZ37BIF Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 32.0" (81 cm)      |
| Height of Cabinet          | 31.75" (81 cm)     |
| Height to Hinge Cap        | 32.0" (81 cm)      |
| Nominal Width              | 21.0" (53 cm)      |
| Width                      | 20.25" (51 cm)     |
