

# SCFF532D

34" x 23.63" x 23.63" (H x W x D)

Built-in undercounter two-drawer all-freezer with frost-free operation, stainless steel construction, and panel-ready drawer fronts

### Highlights:

- True frost-free operation saves you maintenance by preventing icy buildup
- Create the perfect look with panel-ready drawer fronts that can accept custom overlay panels
- Flexible design allows built-in or freestanding use in 24" spaces

### Product Features:

|                              |                                                                                                                                     |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| 2-Drawer Freezer             | 24" wide frost-free freezer for built-in or freestanding use                                                                        |
| Stainless steel construction | Cabinet, drawers, and kickplate are fully constructed from stainless steel to ensure lasting durability and easy cleanup            |
| Two sliding drawers          | Smoothly gliding stainless steel drawers for easy use                                                                               |
| Built-in capable             | Make the best use of space by installing your appliance under the counter and flush with other cabinets                             |
| Panel-ready drawer fronts    | Drawers accept overlay panels (size: 23.43" x 15" at 3/4" thick) to let you seamlessly blend the refrigerator into cabinetry design |
| Frost-free operation         | Minimum user maintenance with a fully no-frost operation system                                                                     |
| Internal fan                 | Fan-forced cooling ensures even temperature distribution from top to bottom                                                         |
| Digital thermostat           | Electronic controls ensure easy temperature management, with an external readout in Celsius or Fahrenheit                           |
| LED lighting                 | Elegant and efficient lighting offers a gentle illumination for the drawer interiors                                                |

## SCFF532D Specifications:

| Overview                   |                             |
|----------------------------|-----------------------------|
| Nominal Height             | 34.0" (86 cm)               |
| Height of Cabinet          | 34.0" (86 cm)               |
| Nominal Width              | 24.0" (61 cm)               |
| Width                      | 23.63" (60 cm)              |
| Nominal Depth              | 24.0" (61 cm)               |
| Depth                      | 23.63" (60 cm)              |
| Depth with Handle          | 25.0" (64 cm)               |
| Depth with door at 90°     | 39.38" (100 cm)             |
| Capacity                   | 4.26 cu.ft. (121 L)         |
| Defrost Type               | Frost-Free                  |
| Door                       | Stainless Steel/Panel-Ready |
| Cabinet                    | Stainless Steel             |
| US Electrical Safety       | ETL                         |
| Canadian Electrical Safety | ETL-C                       |
| Sanitation                 | ETL-S                       |
| Energy Usage/Year          | 380.0kWh/year               |
| Amps                       | 0.8                         |
| Voltage/Frequency          | 115 V AC/60 Hz              |
| Weight                     | 106.0 lbs. (48 kg)          |
| Parts & Labor Warranty     | 1 Year                      |
