

PRESRV™

KEGERATOR & BEVERAGE COOLER

OUTDOOR

Your outdoor entertaining just got upgraded, with a kegerator and beverage cooler that is versatile enough for even the most creative of hosts. This corrosion-resistant, stainless steel hybrid kegerator can accommodate multiple keg configurations and easily functions as a beverage cooler when a keg is not

installed. Purchase one of our single, double, or triple tap kits to complete your dream configuration. Optional accessories include casters and a drink guardrail for use in freestanding installations. Also certified for indoor use.

How Presrv™ Stands Out:

32°

PreciseTemp™

Multiple internal sensors help maintain accurate temperatures and increase overall performance

Active Cooling Technology

An on-board computer controls an active cooling fan to provide temperature stability and even cooling

Beer Line Cooling System

Blows cool air onto the beer line to reduce foam and keep beer cool from start to finish

Zephyr Warranty

With service at the forefront, we back our products with a generous 2-year parts and labor warranty along with a 5-year warranty on the compressor
