

MHOTR242B

17.5" x 24" x 17" (H x W x D)

24" wide over-the-range microwave in black with digital controls, for ducted or recirculating (ductless) use

Highlights:

- 24" wide over-the-range microwave brings new convenience to small kitchens
- Range hood can function with a vertical duct, horizontal duct, or for recirculating operation
- Ten power levels and multi-stage heating ensure the perfect cooking conditions for a variety of meals

Product Features:

24" width	Smartly sized for full service use in smaller kitchens
Range hood function	Under-cabinet ventilation with a high/low setting
Versatile ventilation options	This unit can be set up with a vertical duct, horizontal duct, or for recirculating operation
Large capacity	1.4. cu.ft. interior provides ample room for heating & cooking small or large dishes
Window included	Small window lets you keep watch of your cooking
Under cabinet LED lighting	Range hood includes two bulbs for convenient illumination of the cooking zone
Auto cook	Cooking setting that lets you choose from pizza, potatoes, popcorn, beverages, cheese, ice cream, butter, meats, veggies, and reheat
Kids meal heating option	Designed for easy reheating of common children's meals, with settings specifically for nuggets, hot dogs, fries, and frozen sandwiches
Timed cooking	Touch controls for easy heating of foods and beverages (up to 99 minutes)

The image contains two technical drawings of a rectangular electronic device, showing the front and top views with dimensions in inches.

FRONT VIEW:

- Overall width: 24
- Overall height: 17 $\frac{1}{2}$
- Top section: 3'-4" LG. ELEC. CORD, with a width of 5 $\frac{1}{2}$
- Middle section: GLASS WINDOW, with a width of 11 $\frac{1}{2}$ and a height of 5
- Bottom section: CONTROL PANEL, with a width of 14 $\frac{1}{2}$ and a height of 3 $\frac{3}{4}$
- Left side: 10 (height of the main body), with a small protrusion of 1 $\frac{1}{2}$ at the top left.

TOP VIEW:

- Overall width: 17
- Overall depth: 38 $\frac{3}{4}$
- Front edge: 2
- Left edge: 4
- Internal features:
 - Two rectangular components, each 4 wide and 2 $\frac{3}{4}$ high, separated by a 2 $\frac{1}{4}$ gap.
 - Dimensions 14 $\frac{1}{8}$ and 14 $\frac{1}{2}$ are shown for the main body width.
 - Dimensions 1 $\frac{1}{2}$ and 2 are shown for the top edge.
 - A dimension of 6 is shown for the distance from the right edge to the internal components.
