ENGLISH

A readily accessible disconnect device shall be incorporated external to the equipment.

The maximum rating of an overcurrent protective device to be provided external to the equipment may be one of the protective device ratings available in the country of installation.

FRANÇAIS

Un sectionneur facilement accessible doit être installé à l'extérieur de l'équipement.

La puissance maximale d'un dispositif de protection contre les surintensités à installer à l'extérieur de l'équipement doit être celle des dispositifs de protection disponibles dans le pays d'installation.

ESPAÑOL

Se debe incorporar un dispositivo de desconexión de fácil acceso externo al equipo.

La clasificación máxima de un dispositivo de protección contra sobrecorriente que se proporcione externa al equipo debe ser una de las clasificaciones de dispositivo de protección disponibles en el país de instalación.
