

# AFS17PVMCLHD

79.5" x 27.5" x 26.63" (H x W x D)

Performance series 14.83 cu. ft. upright frost-free MOMCUBE freezer purpose-built for breast milk storage

**Highlights:**

Purpose-built for environments complying with Section 4207 of the Patient Protection and Affordable Care Act

Designed for storing breast milk in NICUs, hospitals, maternity wards, lactation rooms, mothers' suites, and other facilities

Intelligent microprocessor digital temperature controller

**Product Features:**

Performance MOMCUBE Breast Milk FreezerPurpose-built Performance Series freezer for the long-term storage of breast milk freezer

|                              |                                                                                                                                                                                      |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose-built design         | Designed and purpose-built for breast milk storage in accordance with the CDC's guidelines                                                                                           |
| Spacious capacity            | Over 14.5 cu.ft. of storage inside                                                                                                                                                   |
| Frost-free operation         | No-frost operation for minimal user maintenance                                                                                                                                      |
| +/-1°C Variation             | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period |
| Microprocessor control panel | Digital controls with a large LED readout in Celsius or Fahrenheit for intuitive temperature management                                                                              |
| Adjustable temperature       | Intuitive controls let you adjust the interior temperature between -30°C to -10°C                                                                                                    |
| High/low temperature alarm   | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                          |
| Remote alarm contacts        | Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit)                     |

## AFS17PVMCLHD Specifications:

| Overview                   |                      |
|----------------------------|----------------------|
| Nominal Height             | 80.0" (203 cm)       |
| Height of Cabinet          | 79.5" (202 cm)       |
| Nominal Width              | 28.0" (71 cm)        |
| Width                      | 27.5" (70 cm)        |
| Width with Door Open       | 27.75" (70 cm)       |
| Nominal Depth              | 27.0" (69 cm)        |
| Depth                      | 26.63" (68 cm)       |
| Depth with Handle          | 28.13" (71 cm)       |
| Depth with door at 90°     | 54.75" (139 cm)      |
| Capacity                   | 14.83 cu.ft. (420 L) |
| Defrost Type               | Frost-Free           |
| Door                       | White                |
| Cabinet                    | White                |
| US Electrical Safety       | ETL                  |
| Canadian Electrical Safety | ETL-C                |
| Amps                       | 4.3                  |
| Voltage/Frequency          | 115 V AC/60 Hz       |
| Parts & Labor Warranty     | 2 Years              |
| Compressor Warranty        | 5 Years              |
| UPC                        | 761101152387         |
| Freezer                    |                      |
| Door Swing                 | LHD                  |
| Interior Height            | 49.0" (124 cm)       |
| Interior Width             | 19.25" (49 cm)       |
| Interior Depth             | 18.0" (46 cm)        |
| Shelf Type                 | Wire                 |
| Shelf Qty                  | 6                    |
| Adjustable Shelves         | Yes                  |
| Thermostat Type            | Digital              |
| Interior Light             | Yes                  |
| Fan Type                   | Interior             |
| Refrigerant Type           | R290a                |
| Refrigerant Amount         | 3.27 oz.             |
| High Side PSI              | 280.0                |
| Low Side PSI               | 130.0                |
| Wheels                     | 4                    |
| Compressor Step Height     | 10.0" (25 cm)        |

|                       |                |
|-----------------------|----------------|
| Compressor Step Width | 19.25" (49 cm) |
| Compressor Step Depth | 16.0" (41 cm)  |
| Temperature Range     | -30 to -10°C   |
