ENERGY STAR certified 2-door refrigerator-freezer included

**Product Features:**

|                                           |                                                                                                                                                                           |
|-------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Complete one-piece kitchenette            | All-in-one kitchen is built with virtually everything you need for meal preparation                                                                                       |
| ADA counter height                        | 34" counter height helps to comply with the guidelines set by the Americans with Disabilities Act (ADA) for improved accessibility                                        |
| 2-door refrigerator-freezer included      | CP34BSS is packaged inside the kitchenette. This 3.2 cu.ft. ENERGY STAR certified refrigerator includes adjustable glass shelves, door storage, and a freezer compartment |
| Sink and faucet                           | Stainless steel sink with ready-to-use gooseneck faucet included                                                                                                          |
| 2-burner smooth-top cooktop               | Includes a 5½" 500W front element and a 7" 900W rear element in a smooth black finish for easier cleanup and safer cooking                                                |
| 115V operation with pre-installed cords   | Both the cooktop (20amps) and refrigerator (1.1amps) include 3-pronged cords for easy setup                                                                               |
| Push-to-turn knobs                        | Cooktop knobs require a small amount of force to turn the elements on, helping to prevent accidents                                                                       |
| Indicator lights                          | Operating indicators light up to show which burner is in use                                                                                                              |
| Black and stainless steel exterior finish | Modern design with a jet black powder-coated metal cabinet, stainless steel surface, and stainless steel refrigerator doors                                               |
