## GE Profile™ Series Stainless Steel Interior Dishwasher with Hidden Controls

### FEATURES AND BENEFITS

**Microban® Antimicrobial Technology** – Enjoy longer-lasting dishwasher protection thanks to Microban® Antimicrobial Technology. Built into high-usage touchpoints to help prevent bacteria growth, it keeps protected surfaces 99% cleaner than unprotected surfaces.

**Dry Boost™** – Dry Boost™ technology outperforms standard heated-dry dishwashers by getting hard-to-dry items like plastics up to 3 times drier when compared to heated dry.

**Smart Features powered by SmartHQ™** – Built-In WiFi and the SmartHQ™ app make it easy to connect, control and monitor your smart dishwasher from anywhere. You can also conveniently access the latest features, including customized cycles, remote status notifications and more.

**Smart Assist** – Smart Assist makes it simple for you to unlock optimal wash and dry performance. Innovative dishwasher sensors and intelligent machine learning enhance and improve cycles over time.

**Deep Clean Silverware Jets** – A system of deep clean silverware jets blasts the silverware basket from the bottom up, removing all stuck-on foods and providing sparkling results.

**Third Rack with Removable Silverware Caddy** – The versatile third rack was redesigned to load more than just silverware with additional space for unique items.

**Active Flood Protect** – To prevent potential overflows, a sensor detects when the water is too high and pumps it out until a safe level is reached.

**4 Bottle Wash Jets** – This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the 4 bottle wash jets directs water and detergent inside to effectively wash hard-to-reach areas.

**Steam + Sani** – Save time with a high-temperature cycle that steams and sanitizes to loosen tough soils before the wash cycle begins, reducing bacteria by 99.999% without pre-rinsing or soaking.

**Piranha™ Hard Food Disposer** – The Piranha™ Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate to pulverize food particles and an anti-jamming design makes sure wash arms stay unclogged.

**44 dBA Dishwasher** – Get reliable wash performance and a deep clean without unwanted noise thanks to this super-silent 44 dBA dishwasher.

**Extra-Large Capacity** – Have enough space for 16 place settings and large dishware in this extra-large capacity dishwasher, making cleanup after large gatherings a breeze.

**Notification Bar** – Always know the status of your clean with this notification display dishwasher feature. A bright bar illuminates different colors to indicate the status of the cycle.
