WARNING

To prevent tip-over, ensure the anti-tip brackets are securely attached to a stud or other weight-bearing structure. The anti-tip brackets could fail to prevent tip-over if not properly installed.

AVERTISSEMENT

Pour éviter tout basculement, assurez-vous que les dispositifs anti-basculement sont solidement attachés à un montant ou à une autre structure porteuse. Les dispositifs anti-basculement risquent de ne pas empêcher le basculement s'ils ne sont pas correctement installés.

ADVERTENCIA

Para evitar que el aparato vuelque, es preciso asegurarse de que los soportes antivuelco estén firmemente fijados a un perno u otra estructura capaz de soportar peso. Si no se instalan correctamente, los soportes antivuelco pueden fallar para evitar que el aparato se vuelque.
