24" Washer & Dryer

Designed and manufactured in Europe, Summit's new 208-240V washer/dryer set provides a complete laundry performance in a side-by-side or stackable design!

Series Features

- **24" Width** for an easy fit in apartments & smaller living spaces
- **Larger Drum Capacity** than most laundry units in this size class
- **Stackable Design:** Dryer ships with 4 rubber suction feet covers for easy setup
- **Front-Loading** for easier accessibility, with opposite door swings for convenient side-by-side use
- **Clear Visibility** with a large washer window and half dryer window with interior light
- **Stainless Steel Drum** ensures long-lasting durability
- **1400 RPM** provides a thorough cleaning
- **Touchscreen Display** makes it easy to select your wash & dry programs
- **Specialty Functions** include delay start, start/pause, & standby mode
- **14 Programs** in each unit to accommodate a variety of fabric needs
- **ENERGY STAR®** certified performance on both units
