

# H30RSS

5.13" x 29.88" x 18.63" (H x W x D)

30 inch wide under cabinet convertible range hood for ducted or ductless use in stainless steel

**Highlights:**

30 inch wide pairs well with a variety of ranges and cooktops

Stainless steel construction for elegant durability

Convertible from top or rear venting into non-vented recirculating mode

**Product Features:**

|                               |                                                                                                                                                               |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Under cabinet range hood      | Low profile design offers a classic way to finish your kitchen                                                                                                |
| 30 inch width                 | Sized for use over 30 inch cooking surfaces (additional sizes available)                                                                                      |
| Convertible design            | Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible                                              |
| Easy 1-step conversion        | Ships pre-set for recirculating mode but can be converted for ducted use in less than a minute                                                                |
| Versatile top or rear exhaust | Ships for standard 3 1/4" x 10" vertical or horizontal exterior venting and convertible to a 6" or 7" round vertical venting with a transition (not included) |
| Stainless steel finish        | Durable construction in an attractive style with a horizontal grain                                                                                           |
| Two-speed fan                 | High and low setting to allow proper ventilation of your kitchen as needed                                                                                    |
| Light & bulb included         | Includes an incandescent bulb to help illuminate your cooking surface                                                                                         |
| Removable metal grease filter | Easy installation and detaching allows you to properly clean the filter for optimum efficiency                                                                |
