DESCRIPTION

Designed to be suspended above a kitchen island, Cingoli features elegant 36" or 42" arched glass wings that allow natural light to illuminate the surface below. These expansive glass wings are complemented by reflective stainless steel. Cingoli combines beauty with functionality, offering a powerful 600 CFM blower, dishwasher-safe stainless steel microhole filter, and glass touch controls for convenience and safety. Designed for standard ducted installation, Cingoli can also be installed as a recirculating system using the optional Recirculating Kit.

FEATURES

- Hush system
