

TEM665CW

35.75" x 24.13" x 24" (H x W x D)

24" wide slide-in style 220V electric range in black with induction cooking surface, oven window, and lower storage compartment; made in the USA

Highlights:

Induction cooking surface ensures safer, faster, and more efficient heating

Made in the U.S.A.

24 inch footprint offers an easy fit in small kitchens

Product Features:

24" Wide Induction Range	Slim-fitting range with an electric oven and induction cooking surface for fast, safe, and efficient cooking
Made in the USA	Designed and constructed domestically
Slim 24 inch width	Apartment-sized width offers all the functionality you need in a smaller footprint
24 inch depth	Shallower fit is ideal for L-shaped and galley kitchens
Induction cooking surface	Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience
2 large elements	8 1/4" elements in the front left and rear right operate at 2000W (with a 3000W capacity at the boost setting) for fast, powerful heating
2 standard elements	6 1/4" front right and rear left elements operate at 1500W (or 2000W using boost) to cover most general cooking needs
Smart burner layout	Largest elements are located diagonally, with maximum spacing to allow large cooking vessels in use simultaneously
EuroKera glass surface	Easy cleanup and elegant style on a smooth ceramic glass surface in a jet black finish

Storage Compartment	Yes
Broiler Location	Inside Oven
