AKCQ08ACH

GE® 115 Volt Built-in Cool-only Room Air Conditioner

DIMENSIONS (IN INCHES)

INSTALLATION INFORMATION: A finished opening of 25-7/8" x 15-3/8" clear of intrusions is required. Keep clearance of 4" from side walls. Brick veneer or frame walls should have wood studding surrounding case to provide firm anchoring with screws. Sleeve (not included) can be fastened directly to brick or block walls with screws sunk in lead expansion shields.

NOTE: Wall sleeve should be caulked on all four sides on both the interior and exterior side of the building.

RAB24 – Quick Snap wall sleeve of galvanized steel and color matched enamel finish. Compatible with RAD10 drain kit. Provide firm anchoring with screws.

NOTE: Stamped exterior grille is included with unit chassis
