

# FF27BCSSLHD

33.88" x 26.75" x 23.25" (H x W x D)

27" wide built-in undercounter all-refrigerator with stainless steel door, black cabinet, door storage, lock, and digital controls

**Highlights:**

Flexible design allows built-in or freestanding use in 27" wide spaces

Commercially listed to NSF-7 standards

Less than 24" deep for an easier fit in busy kitchens

**Product Features:**

|                                        |                                                                                                                                    |
|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| 27" Wide Undercounter All-Refrigerator | Uniquely sized for built-in installation under counters in residential or commercial kitchen settings                              |
| Commercially approved                  | ETL-S listed to NSF-7 commercial standards                                                                                         |
| Less than 24" deep                     | Shallower fit than many similar units in this size class, allowing an easier fit in tight commercial or residential kitchen spaces |
| Built-in capable                       | Front-breathing design allows the unit to be built-in under counters                                                               |
| Digital control panel                  | Easy and intuitive digital controls located inside the refrigerator                                                                |
| Factory installed lock                 | Keyed lock for a secure interior (2 keys included)                                                                                 |
| Stainless steel door                   | Durable construction with a stylish look                                                                                           |
| White interior                         | Bright interior finish offers maximum visibility, especially helpful in restaurants and other dimmer settings                      |
| Adjustable shelving                    | Durable commercial shelving lets you rearrange the interior as needed to accommodate a variety of sizes                            |
