MAT20 Top-Load Washer

WHAT'S INSIDE MATTERS®

INTELLIGENT CONTROLS WITH M-SERIES TECHNOLOGY

Intelligent Controls with M-Series Technology gives owners control of their profits with customized setup, and offers customers the wash cycle flexibility that meets their individual wash needs.

INSTRUCTIONS

- 1 Select CYCLE
- 2 Select OPTIONS
- 3 Insert PAYMENT
- 4 Press START

MULTI-LEVEL PRICING

Mixed, PowerWash®, Delicates, and Normal cycles—as well as end-user options—can all be individually priced according to owner preference. The PowerWash® cycle gives end users the benefit of more agitation, hotter water and an extra rinse.

TIME-OF-DAY PRICING

Controls offer the flexibility to program special pricing based on day-of-week and time-of-day.

OWNER FLEXIBILITY

Step-by-step setup choices make it easy for owners to customize the machine by setting individual cycle prices, cycle times, vend counts, and much more.

MAYTAG CONNECT 360™ COMPATIBLE

Maytag Connect 360™ technology enables owners to make decisions on the fly, adjust pricing, or simply keep an eye on revenue streams anytime, anywhere.

INTUITIVE-TO-USE CONTROL PANEL

Controls offer one-touch cycle selection, while the display clearly conveys prices, selections, and time remaining.
