# 17.5 cu ft Series 5 Refrigerator Freezer

Series 5 | Contemporary

This stylish right hinge refrigerator comes in timeless stainless steel with concealed handles for a more streamlined look.

- Ultra flat door conceals handles for streamlined look
- · Bottom freezer
- ActiveSmart<sup>™</sup> helps keep food fresher for longer

## **DIMENSIONS**

Height 67 3/4 "

Width 31 1/8 "

Depth 27 3/8 "

## **FEATURES & BENEFITS**

## ActiveSmart™ Foodcare

Every time you open your refrigerator, the temperature around your food changes. ActiveSmart™ foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.

## Clever Energy

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy it needs without compromising on food care.

## **Humidity Control**

Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

## Easy Cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

## **Design Quality**

Our refrigerators are designed and built using quality materials. We use real stainless steel on our refrigerators and solid glass for shelving.

## **SPECIFICATIONS**

## Accessories (sold separately)

Matching Replacement Water Filter Model N/A

## Capacity

Total gross capacity	17.5 cu ft
Volume	17.5 cu ft
Volume freezer	5.2 cu ft
Volume refrigerator	12.3 cu ft

## Consumption

Energy rating	Energy Star
Energy usage	454kWh/year
In-use energy carbon emissions estimate	160.1kgCO2e/year

## Controls

Control Type Electronic

## Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

QUICK REFERENCE GUIDE > RF170BRPX6 N Date: 21.10.2025 > 3

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
