

# ADA305AFTBC

32" x 19.75" x 22.5" (H x W x D)

Built-in undercounter -25°C ADA compliant commercially-approved all-freezer in white with lock, pure copper towel bar handle, digital controls, interior baskets, hospital cord with 'green dot' plug, factory installed access port, and manual defrost operation

### Highlights:

Medical grade design to function at lower temperatures (-25°C) than standard residential units

Just 32" high for an easy fit under lower ADA compliant counters

Copper towel bar handle kills microbes in a shorter timeframe than other metals for added safety

### Product Features:

|                               |                                                                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant design          | 32" height allows easy installation under lower ADA compliant counters                                                                  |
| -25°C capable                 | Low temperature operation ideal for vaccines, pharmaceuticals, and other sensitive materials                                            |
| Commercially approved         | Meets ETL-S to NSF-7 standards for use in commercial settings                                                                           |
| Built-in capable              | Front-breathing design lets you make the best use of space by installing your appliance under the counter                               |
| Copper handle                 | Naturally antimicrobial, the towel bar handle made from pure copper helps to protect against microbes for added safety and cleanliness  |
| Factory-installed lock        | Located towards the top of the door for easy access and to provide added security of unit (2 keys included)                             |
| Access port                   | Unit comes with a factory installed probe hole for users to connect their own monitoring equipment                                      |
| Adjustable digital thermostat | Electronic controls located in the front kickplate for easy & intuitive temperature management, with a readout in Fahrenheit or Celsius |
| Basket shelves                | Three slide-out baskets offer convenient storage, with plastic fronts to help protect contents from warmer air when the door is opened  |

## ADA305AFTBC Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 31.75" (81 cm)     |
| Height to Hinge Cap        | 32.0" (81 cm)      |
| Width                      | 19.75" (50 cm)     |
| Width with Door Open       | 20.25" (51 cm)     |
| Depth                      | 22.5" (57 cm)      |
| Depth with Handle          | 25.0" (64 cm)      |
| Depth with door at 90°     | 40.25" (102 cm)    |
| Capacity                   | 2.47 cu.ft. (70 L) |
| Defrost Type               | Manual             |
| Door                       | White              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Sanitation                 | ETL-S              |
| Amps                       | 1.1                |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 65.0 lbs. (29 kg)  |
| Shipping Weight            | 70.0 lbs. (32 kg)  |
| Parts & Labor Warranty     | 1 Year             |
