**Product Features:**

|                                   |                                                                                                                                   |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Made in the USA                   | Designed and constructed domestically                                                                                             |
| 36 inch wide range                | Uniquely sized to fit many older kitchen spaces                                                                                   |
| 24 inch depth                     | Shallower fit is ideal for L-shaped and galley kitchens                                                                           |
| Four open burners                 | 9000 BTU burners with built-in enamel grates to meet most cooking needs                                                           |
| Natural gas design                | Set for use with natural gas connection. To convert for propane use, add Kit LP                                                   |
| Electronic ignition               | Spark ignition system with a pre-installed 115V 3-prong cord                                                                      |
| Oven window and interior lighting | Door includes a window and exterior on/off rocker light switch, making it easier to monitor your cooking without opening the door |
| Deluxe backguard                  | 8" high backguard to protect wall from back splashes                                                                              |
| Digital clock and timer           | Backguard includes time readout                                                                                                   |
