

# HC30WW

5.5" x 29.88" x 20" (H x W x D)

30 inch wide under cabinet convertible range hood for ducted or ductless use in white, made in North America

**Highlights:**

- 30 inch wide pairs well with a variety of ranges and cooktops
- Made in North America in a TAA designated country
- Steel construction for lasting durability

**Product Features:**

|                               |                                                                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Under cabinet range hood      | Low profile design offers classic style to finish your kitchen                                                                            |
| 30 inch width                 | Sized for use over 30 inch cooking surfaces (additional sizes available)                                                                  |
| Convertible design            | Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible                          |
| Black finish                  | Matte finish in jet black suits any kitchen space                                                                                         |
| Easy conversion               | Ships pre-set for recirculating mode but can be converted in a few simple steps                                                           |
| Versatile top or rear exhaust | Ships for standard 3 1/4" x 10" vertical or horizontal exterior venting and convertible to a 7" round vertical venting without transition |
| Angled airflow                | Vents are set at a slight upwards angle, ensuring smoke and odors won't be directed towards the user                                      |
| Steel construction            | Powder-coated finish over a 21 gauge steel design for lasting durability                                                                  |
| Two-speed fan                 | High and low setting to allow proper ventilation of your kitchen as needed                                                                |

HC30WW Specifications:
