

# CR424BL

3" x 24" x 20.5" (H x W x D)

24" wide 4-burner electric cooktop in smooth black ceramic glass finish

### Highlights:

24" width is ideally sized for many hard-to-fill cutouts

Smooth black finish in Schott Ceran glass offers easy cleanup

Four 1200W burners made by E.G.O. in Germany

### Product Features:

|                      |                                                                                                                                         |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| 24" width            | Designed to fit 22.13" W x 18.63" D cutouts                                                                                             |
| E.G.O. burners       | Considered by many to be the industry's best cooking technology, this unit features four 1200W 6 1/2" burners made in Germany by E.G.O. |
| Schott Ceran surface | Smooth ceramic glass cooking surface in a sleek black finish                                                                            |
| Push-to-turn knobs   | Controls require a gentle push to help prevent cooking accidents                                                                        |
| Stainless steel trim | Stainless steel border adds an extra touch of style                                                                                     |
| Indicator lights     | Each burner includes an indicator light to show when the unit is on                                                                     |
