Key Features & Benefits

Undercounter or Freestanding Installation

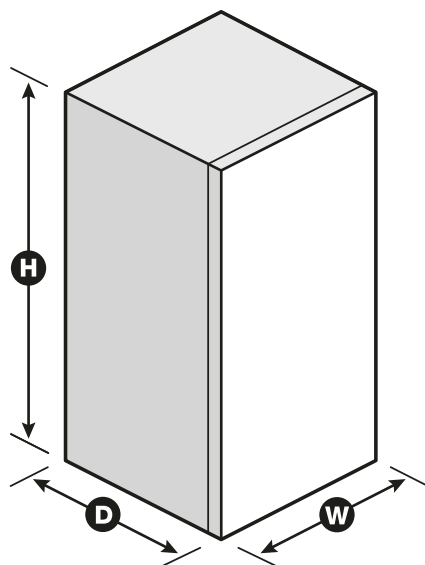

Put this icemaker more places with a venting system that allows for installation either under a counter or on its own.

Fast Ice Option

Always have enough ice with a setting that speeds up ice production.

25-lb Capacity

Keep up to 25 pounds of fresh ice on hand with a large capacity bin.

NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
