Key Features & Benefits

17K BTU Professional Dual Ring Burner
Allows you to go from one small flame for precise simmering to a dual flame for powerful boiling, all on the same burner.

6K BTU Even-Heat™ Simmer Burner
A diffuser plate allows more control of the flame at the lowest setting, for more precise simmering and melting.

CookShield Finish
Protects the cooktop from stains that may occur with high temperature cooking. The permanent finish makes it easy to wipe clean without harsh chemicals so it looks clean, bright and beautiful even longer.*
