GrovePoint™

Casual lifestyle meets the comfort and convenience of the modern world in the eclectic collection, **Grove Point™**, by American Drew. This contemporary, vacation inspired whole home collection is both exotic and functionally beautiful.

Grove Point™ features a casual warm khaki finish on flat-cut Primavera veneers and hardwood solids. This alluring veneer is complemented by the caramel colored raffia and linen fabric accents. A chocolate brown accent finish complements select pieces.

Mixed media is the word for this collection. The custom hardware is chunky, textured and organic in feel with a rubbed bronze finish. The **Grove Point™** bed features a starting mixed media panel bed that has veneer and raffia in the panel, while other pieces are simple in design and feature a framed case, block feet and raffia accents.

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

CARE OF FINE FINISHES: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.
