About Jessica McClintock

Jessica McClintock, a self-made iconic American fashion designer, has been collaborating with American Drew and Lea Furniture – our sister company - on various furniture collections over the last 14 years. We have found the design aesthetic has evolved throughout this wonderful relationship, and has consistently provided American Drew and our valued customers with a fashion and value driven point-of-view.

Jessica McClintock, Inc. encompasses a vast national and international wholesale business selling Jessica's designs throughout the world. Her dedicated customer is cross-generational, ranging from teenagers shopping for the prom, to customers of all ages looking for that very special, special occasion.

Jessica's customer embraces the brand because of her standing as a designer who has design credibility with a distinctive style, versatility, is value driven, and is a trend setter. While Jessica's brand has and always will be synonymous with a romantic lifestyle, to stay ahead of the curve, Jessica's fashions consistently evolve to include more updated styling options. Her multifaceted company provides the consumer with a broad-array of fashion options ranging from children's wear to prom and bridal. Rounding out her product offering for many years have been several highly successful fragrances. And her home collection has consistently exhibited successes with products ranging from furniture, to bedding and lighting.

"Everything I design is influenced by my love of romantic colors, textures and lines."

JESSICA MCCLINTOCK HOME

Jessica McClintock's simply romantic personal style is the inspiration for this extensive collection of richly ornamented and detailed pieces for the home.

The eclectic blending of materials and finishes adds even more romance and designer touches. The collection is crafted from Oak and Pecan Veneers, Silver Leaf, Metal and Marble.

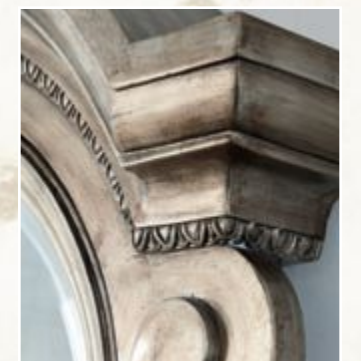

The main finish, **White Veil**, is an antique white wash that allows the wood grain to show through and has aged/distressed detailings. On most White Veil pieces, the tops are done in our **Revival** finish. This is a raw, scrubbed finish on Pecan veneers that emulates an antique that has been stripped of its original finish.

The darker, **Baroque** finish can be found on bedroom items. This finish is a cappuccino-colored worn finish with wire brushed details and antiqued glaze on Oak veneers.

The custom-designed hardware is finished in a exquisite dark antiqued pewter color finish with hand-worn highlighting.

Multiple accent finishes such as **Silver Veil**, **Tarnished Zinc**, **Pediment** and **Verdigris** can be found throughout the collection on select pieces.

Full of unique accents and ornate forms, this sumptuous collection creates an enchanting and romantic setting akin to Jessica's own home. Mix and match the beautiful finishes and stylish pieces to create your own, truly romantic, setting.

*“To me, ‘romance’ means
beauty that touches the
emotional part of our being.”*

CARE OF FINE FINISHES

American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, outlets, windows, or in direct sunlight.

CARE OF DECORATIVE HARDWARE

The decorative hardware on this furniture has been protected with a clear lacquer coat. The use of harsh detergents or brass polish in an attempt to clean or obtain higher luster will result in the removal of the protective lacquer and will damage the finish of the hardware. Use a soft damp cloth to remove dust.

CARE OF MARBLE TOPS

To keep your marble looking its best, you must do the following. Clean with a damp cloth, wipe up spills immediately. Other types of polishes may harm the finish. Never use harsh or abrasive cleaners.
