

BELMONT HOME OFFICE

A casual yet grandly styled home office is possible with Belmont. This home office collection brings the warmth of the home into a well-designed, versatile office. Inspired by enduring traditional English designs with a touch of West Indies influence, Belmont is lightly embellished with a blend of clean lines and soft movement. Presented in rogue cherry veneers with a dark brown Chestnut finish, the natural characteristics of the wood are highlighted to lend the veneer a relaxed look with tailored elements. Beneath the style lies function with features like a charging station, task lighting, and power unit with several USB and data ports. Belmont Home Office — casual sophistication for the home office.

Design Features

Woods & Finishes

The natural beauty of the wood is showcased in rogue cherry veneers presented in a dark brown Chestnut finish.

Shapes & Forms

Clean lines, flowing arches and classic carving details give the collection a relaxed traditional feel.

Unique Materials

Seeded glass and rich, dark brown leather accents create interesting texture.

Hardware

Classically shaped hardware in a traditional aged brass finish is enhanced by rich, dark highlights.
