- Corner Blocks • Webbed Back
- Screwed Frame • Pocket Coil
- Wood Encased Frame

T'S WHAT'S INSIDE THAT COUNTS...

welcome to emerald: where furniture meets fashion
STATE OF THE ART SOFA

FEATURES AND BENEFITS

- 1) 8 Way hand-tied coil springs : Superior comfort and lasting durability
- 2) Corner blocked and screwed frame : Gives the frame lasting strength
- 3) Foam encased individual pocketed coils in seat cushions : Prevents fabric from slipping and provides extra plushness for seating comfort
- 4) Webbing back : Maximum back support for a luxurious seating experience
- 5) Exterior frame is solid wood encased : Insures a quality tailored appearance and prevents fabric from stretching

*Accent chairs and chaises are not 8 way hand-tied
