COVENTRY HILLS

In the style of country manor living, Coventry Hills blends new traditional design with a gently distressed, hand-burnished artisan finish that evokes a sense of comfort and familiarity, reflecting today's inviting, less complicated, laid back view of casual elegance.

Crafted from Rustic Cherry, with an emphasis on graceful cathedral patterns in the wood, designs offer a fresh updated look with elegant turnings on legs and posts and deep moldings that frame doors and drawers.

Correlated upholstery features plush seating, including a tailored slipcover program, reinforcing the theme of casual comfort.

Color palettes include celadon, cream, copper and rich spice tones, offering a sophisticated approach to today's new traditional style.
