

River House
COLLECTION

Produced under license by

UNIVERSAL
Good, Affordable, Smart Design.

River House captures the beauty, history and hospitality of gracious life on the Savannah River. Designed to be loved and enjoyed, the timeless quality of this collection welcomes the bustling activities of real family life.

Ever casual and infinitely livable, fluid lines and a subtle sheen on rich cherry wood grains give the tiniest nod to Low Country elegance. River Bank, a deep brown with a bit of sheen, highlights the beauty of its cherry veneers. The lightly textured, painted River Boat finish, in white with a hint of gray rub-through, connotes age. An Oyster Shell accent finish on select pieces adds depth and character. Gentle arches, generous turned legs, aged metal accents and oiled bronze hardware reflect the collection's easygoing grace. River House reflects the charming juxtaposition of a casual and easy graciousness.
