the BELLamy collection

Picture a flower tucked into tousled curls or an armful of bracelets, and you can imagine the inspiration behind Bellamy. The carefully curated girls' collection combines beautiful heirloom styling with a thoroughly modern frame of mind. With traditional European and American silhouettes and a touch of timeless Victorian elegance, this collection embodies vintage simplicity. A textured Daisy White finish adds timeworn appeal to gracefully shaped case fronts, egg-and-dart molding, and turned bun feet. Two accent finishes, Antique Rose and French Grey, add eclectic appeal. With Smartstuff's™ innovative features, Bellamy mixes design elements to create a youthful, elegant collection with a strong independent spirit to fit every girl at any age.
