DINING ROOM

LIVING ROOM

Modernism takes a classic turn with Studio 455. With easy softened lines, flowing shaped-in curves, and a relaxed eloquence designed in from the start. Graceful and undemanding, Studio 455's shapely silhouettes are draped in a striking dark shadow finish—a tranquil canvas for the subtle detailing accentuated with hammered, jewelry-look hardware. City-scape or countryside, whatever the view outside, this serene collection from Thomasville offers a no-stress escape from the rest of the world. Destined to go down as a modern classic.
