Road To Canberra

Tommy Bahama.

HOME

Inspired by Australia's rugged beauty and indigenous style, *Road to Canberra* from Tommy Bahama blends Aussie attitude with distinctive contemporary design. The unique look of woven veneer is accented by a remarkable blend of natural materials like honed travertine, woven lampakanai, rattan, aged metal, woven leather, and petrified wood.

Quartered Ash is finished in a light natural tone with a soft linen-white glaze that highlights the grain. Upholstered seating features a rich palette of colors and textures including Aboriginal patterns, hand-embroidered linen, natural wovens, and supple leather. A soft neutral color palette is punctuated with hues of spicy cinnamon, deep umber, and golden saffron.

Beauty from half a world away will make you feel right at home. We invite you to capture the essence of the land down-under, and relax in casual contemporary style with *Road to Canberra* from Tommy Bahama...an outback vibe with out front style.

Details are the entitlement of great design. Octagonal metal collars, finished in rustic bronze, crown the tapered posts of the Queensland bed, serving as anchor points for a canopy of hand-forged metal. The graceful shepherd's hook design at the end of the canopy rails reflects an artisan's touch.

CARING FOR YOUR FURNITURE

WOOD

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish – always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly – do not use a brass cleaner (it will damage the lacquer)
