

HUNTINGTON

The desire to escape falls heavily upon our shoulders as the work week ends, when that need to break away from the hustle of the city to quieter pastures firmly takes hold. That's the appeal of Huntington by Bernhardt, a sophisticated furniture collection that remains inviting. Traditionally designed but philosophically casual, Huntington provides the perfect pieces for creating the feel of a country home – no matter where you live. Mahogany solids and veneers distressed with a Saddle finish, with deep brown inlays. Accents of brown leather and darkened steel hardware add warmth. English in style while remaining definitively American, Huntington by Bernhardt sets the new standard for relaxed refinement.

INSPIRATION

Designed specifically for country but evoking just as much town, pieces exhibit a definitive level of sophistication without seeming overly intentional. The goal is to blend English tradition seamlessly with an American aesthetic.

FINISH

Thick mahogany veneers feature hand-planing and distressing in a medium brown Saddle finish and two-tone effect with a dark wood inlay. Mouldings, reeding and diamond overlays add depth and dimension.

ARTISTRY

Clean and classic designs create a casual impression while simultaneously evoking a modern elegance. Subtle carving, planking and molding add to the richness, giving it a depth that becomes more obvious over time.

ACCENTS

Brown leather is used on door and drawer fronts to create rich warmth. Nailhead trim, along with a gunmetal finish on bases, are additional details that catch the eye and capture that country appeal.

HARDWARE

Solid steel hardware is polished then darkened to create a time worn look, but also to complement the veneers. Some pulls are wrapped with stitched leather, a signature detail that evokes a leather handbag or a riding saddle.
