LOFT collection

DESIGNED BY YOU... BUILT BY US!

SINCE 1982

HANDCRAFTED IN NORTH AMERICA

Inspired by factories, welding workshops of the industrial revolution, upper story space and higher ceilings have become wildly popular in urban homes.

An industrial design, Canadel has combined solid wood with metal accents creating an authentic charm.

Combining original characteristics, functionality and comfort, the LOFT collection offers you the possibility to transform your dining room in a trendy experience.

The richness of the wood, the refinement and sophistication... LOFT offers you a dream come true!

Canadel's Exclusive Protection

Canadel has developed a unique protection with a catalyzed lacquer base that is extremely resistant to marks, scratches and stains.

Rule of thumb: If the customer can eat, drink or digest a food product, it may safely be left on a Canadel product for up to 24 hours.

Ten hand applied finishing steps are carried out before applying the catalyzed lacquer. This protection makes furniture maintenance very easy – all you need is a damp cloth!

About us

"Noble and solid wood, high-quality manufacturing, hand finished, custom design - this is the Canadel signature."

Canadel is a leading manufacturer of high quality dining room furniture in North America. A family business established in Quebec since 1982, we employ over 700 skilled professionals.

All our products are made of solid birch from North American forests and manufactured locally according to environmentally friendly processes. In addition, each piece of furniture is assembled and finished by hand following the highest quality standards in the industry.

You will not find this many customizable options anywhere else!

DESIGNED BY YOU... BUILT BY US!

Complete Guarantee

Our reputation for quality is one of the keys to our success. Canadel guarantees materials and workmanship for a period of one year from the date of delivery to the retailer. During this period, we will repair any manufacture defect, and if this is not possible, we will replace the product with one of equal quality at no additional cost.

Eco-friendly Company

Every day, Canadel takes actions to reduce its environmental impact by purchasing locally, recycling dyes, paints and solvents and using packaging made from recycled fibers.
