

A photograph of a covered outdoor dining area. In the center is a round glass table with a dark metal frame, surrounded by four matching chairs with white cushions. On the table are several bowls of fruit and a vase with a red bird of paradise flower. The area is enclosed by a light-colored wall with arched openings and a dark wooden ceiling. A warm light fixture is mounted on the wall. The floor is made of light-colored stone tiles. The background shows a lush green lawn and trees.

There is something captivating about the contrast of white linens against a rich mahogany finish. Imagine waking up to a gentle onshore breeze, a glorious sunrise and nothing on your to-do list that can't wait. It has been said that simplicity is the ultimate sophistication. The Diamond Head Bed offers proof. The clean lines of its tapered posts highlight the British-inspired carvings at the base, and the classic thistle finials that crown the canopy. The Black Sands Night Chest takes its inspiration from Africa's Ivory Coast, with an intriguing shape and elegant pendant drawer pulls. We invite you to greet the dawn with a renewed sense of style!

The Diamond Head bed features a removable canopy frame, as well as the option of high or low posts on the headboard and footboard. All components come standard with the bed and can be customized to fit the room design.

LIVING ROOM

If great design is in the details, the Sunset Cay Cocktail and Lamp Table live up to the benchmark. With a stylish pattern of decorative nailhead trim outlining the perimeter and exquisite porter's handles on the ends, the look of antique brass against the rich Mahogany finish is exceptional. For those whose passion is entertaining, the flanking four-seat Edgewater sofas are both dramatic and functional. Even better, they offer you a stage to showcase an elegant layering of colors, patterns and textures on the contrast throw pillows. Your guests will love to linger...
