6 CHOOSE your FINISH. ADD AN OPTIONAL CUSTOM EMBELLISHMENT.

Select from hundreds of finishes — standard stain or paint finish, MIY paint, artisan wood finish or premium leaf finish. You can even make it a combination finish with contrasting drawers, doors, tops, end panels or face styles (*note that certain face styles can only take a paint finish). Make a bold statement with high contrast choices, or go for an understated look with tone-on-tone or low contrasting personalized finish options. Customize your piece even further by adding an optional embellishment such as highlight striping, pattern striping, shadowing, sheen level option or distressing level.

VANGUARD CAN APPLY NEARLY ANY COMMERCIAL PAINT FINISH TO YOUR PIECE.*

We recommend quality paints from well-known brands such as Benjamin Moore or Sherwin-Williams. You need to specify the exact paint color — but do not need to provide the actual paint. Vanguard will do the rest!
