# Zavala

Blending clean architectural forms with asymmetrical intersecting lines, Zavala offers a fresh new perspective on progressive contemporary styling. The play on angles conveys an edge to the designs, while the warmth of the mocha finish softens the look. Crafted from quartered white oak, designs incorporate bronze-finished silver leaf, Brazilian gold granite, amber-tinted glass and custom hardware in a burnished copper patina.

A striking assortment of upholstered seating designs make a strong contemporary statement, with bold lines that highlight sophisticated fabric patterns, textures and colors. The balance of unique styling, materials and finish make Zavala distinctively unique, redefining a lifestyle of modern elegance and offering a fresh approach to contemporary living.
