Long Cove is a collection of finely crafted home furnishings with a design that is so much more than coastal.

Long Cove is sunlight sparkling prisms on a wine glass, it is the fragrance of sun and wind, the feeling of a home anchored in tradition, but with a casual attitude.

It is a style that feels equally at home on the shore or further inland, a design that harmonizes with how and where you live. Like you, Long Cove loves little surprises, offering a bright yellow wink from inside a drawer, or a glimpse of zebra print within a table.

This sophisticated casual collection offers all the choice you need in scale, the perfect fit for every room and occasion.

This is where the important moments happen.

This is where you celebrate your life.

Welcome to Long Cove.

Long Cove

The Finish Story

There are two sides to every story, and they aren't as simple as black and white. The finishes in Long Cove have depth and texture, highlighting the sophisticated casual style of each piece.

The soft eggshell white of the Shell finish has a hand-applied texture inspired by a painter's canvas, a layered technique that offers a complexion to highlight the liberal rub-through and significant physical distressing. The result is the look of an antique found in a French flea market, of a much-loved item that has been refinished many times.

Midnight is the finish that at first glance appears to be black, but just as the night is full of understated hues, it offers hints of the deeper brown tone that is its true color. The low sheen topcoat enhances the depth of Midnight, giving a subtle elegance with a light touch.

These two primary finishes are complemented by coastal colors on key accent pieces: Linen, Moss, Aquamarine and Coral.

All of the Long Cove finishes are made to mix and match, to coordinate with each other, and to provide character and style.

Standard Finishes

01-0800 Shell

The soft eggshell white of the Shell finish offers hand-applied texture. The custom-designed hardware offers an antiqued look with a rub-through on the Shell color.

01-0801 Midnight

Midnight is a deep brown that looks black at first glance, but has a depth in tone that is apparent in sunlight. The finish is accented with custom-designed antique bronze hardware.

Please note that Midnight is designed to offer slight distressing as the furniture is used, enhancing the look of fine antiques. If you would prefer to keep the finish as it is shipped, please avoid surface scratches by using felt pads on accessories.

Optional Finishes

(available on select items)

01-0803 Linen

The soft tones in Linen mimic the light fabric for which it is named, giving a subtle homage to sand and shore.

01-0805 Moss

A muted light green finish that is reminiscent of sea oats, Moss takes a low-key and complementary approach.

01-0806 Aquamarine

Aquamarine is a color found only at the shore, where sunlight hits the sea and sparks colors that are at once both blue and green.

01-0807 Coral

A cheerful bright finish, Coral combines tones of pink and peach for a hue that takes on a life of its own next to subtler colors.

01-0802 Toffee

Woven water hyacinth is used on the Long Cove Counter and Bar Stools, which is then rubbed with a Toffee finish to add burnishing and warmth. Select Long Cove woven upholstered pieces come standard in the Toffee finish only.

01-0801 Midnight finish

L to R: 01-0800 Shell finish, 01-0806 Aquamarine finish, 01-0803 Linen finish, 01-0807 Coral finish, 01-0801 Midnight finish and 01-0805 Moss finish

Bedroom

You dream of long walks in the sand, warm sunny days, and nights filled with stars. Long Cove makes your dreams come true, creating the perfect escape in your own home, whether that means a sophisticated coastal look, updated cottage or casual traditional. Each piece has style and personality, from the Newport Poster Bed with its whimsically turned posts to the Southampton Panel Bed that recalls waves crashing on a shell-strewn beach. The gently-curved Middleton Night Table and the smaller Hidden Lake Table pay tribute to coastal color with any one of six finishes, including Linen, Coral, Moss and Aquamarine. Scale also tells a story in Long Cove, offering a range of choices such as the twin headboards that are perfect for a guest room or the varying sizes of storage, including the larger Lake Shores Chest and the more petite Lagoon Lingerie Chest.

Dining Room

Half the fun of any gathering is in the planning. Focus on the food and fun, Long Cove has taken care of the setting with choices that fit any event. The Bridgeport Dining Table offers room for large groups with leaves that extend the table to 112 inches in length. Intimate gatherings are right at home with the Fall River Table that makes dining in the round a setting for conversation. Three chair designs, as well as one slipcovered style, offer mix-and-match eclecticism or a single elegant look. The range of choices don't stop there, with storage options that include the curved Yarmouth Sideboard, the Sag Harbor Buffet and Hutch with a customizable bead-board back, or the sophisticated Saybrook Buffet and Hutch. For smaller and more casual occasions, the Merrick High/Low Bistro Table extends from counter height to bar height, and is accented with woven Tidewater stools.

Living Room

Living...the name says it all. This is the heart of the house, a place for family and friends. Long Cove is casual enough to put everyone at ease and sophisticated enough to showcase your personal style. Slipcovered upholstery takes a laid-back approach, but keeps things from getting too casual with a subtle and more tailored character. Sleeker looks are also key in the Diane Settee and the Jay Chair. Subtle surprises put personality into the setting, such as a hand-painted zebra print in the Greenport Cocktail Table, or the sunny yellow interior of the Harbor Spring Sofa Table. The tonal palette provided by the sophisticated Shell and Midnight finishes is brightened with accent colors on unique occasional pieces such as the Hampton Bay Martini Table, the Riverhead Step Table or the Fairfield Cocktail Table. The coastal element is more than ably represented by the woven water hyacinth looks in the Jane Chair and a Half, the Nick Sofa and Chair, and the Cody Swivel Chair.

Home Entertainment

Sleek and updated electronics lose their cold, modern feel when they have a supporting cast of home entertainment furnishings that feels this warmly traditional and loosely casual. Long Cove offers two console sizes to fit any setting from a great room to a smaller den. The South Haven Console takes a stand with curved and shaped posts, two exposed shelves and lots of interior storage. The Bar Harbor Entertainment Console and Hutch evokes a grander approach with side storage in the hutch and four doors on the console. The doors in the base have interchangeable panels that quickly switch from raised wood to glass to speaker cloth. Style and comfort are covered, so all you need to do is sit back, relax and pop in *Something's Gotta Give*.

Home Office

Can you call it work when the setting is this lovely? Whether you are telecommuting or just surfing the Net, Long Cove has the office solution that doesn't sacrifice design or comfort.

The Arcadia Writing Desk offers a nostalgia of line, but with an updated sensibility. The hutch adds convenient storage as a stylish top-note. Speaking of storage, the Bayville Bookcase stands at the ready with six shelves to hold books, files, and photos behind gently sliding glass doors.

For a laptop hideaway, the Stamford Secretary gives the impression of an antique handed down through generations. The little nooks and drawers within the Linen-colored interior offer functionality that complements the form. No detail is overlooked, including a hinged drop-down surface that is designed to lower slowly for safety, as well as reinforced file drawers to prevent tipping.

Standard Finishes

01-0800 Shell

The soft eggshell white of the Shell finish offers hand-applied texture. The custom-designed hardware provides an antiqued look with a rub-through on the Shell color.

01-0801 Midnight

Midnight is a deep brown that looks black at first glance, but has a depth in tone that is apparent in sunlight. The finish is accented with custom-designed antique bronze hardware.

Please note that Midnight is designed to offer slight distressing as the furniture is used, enhancing the look of fine antiques. If you would prefer to keep the finish as it is shipped, please avoid surface scratches by using felt pads on accessories.

Finish Options

Optional Finishes

In addition to the two Standard finishes, items featured below can be ordered in any of the optional finishes shown at left.

01-0803 Linen

The soft tones in Linen mimic the light fabric for which it is named, giving a subtle homage to sand and shore.

01-0805 Moss

A muted light green finish that is reminiscent of sea oats, Moss takes a low-key and complementary approach.

01-0806 Aquamarine

Aquamarine is a color found only at the shore, where sunlight hits the sea and sparks colors that are at once both blue and green.

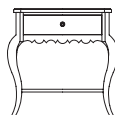

01-0807 Coral

A cheerful bright finish, Coral combines tones of pink and peach for a hue that takes on a life of its own next to subtler colors.

01-0802 Toffee

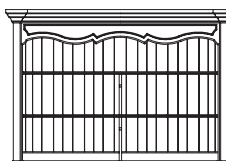

Woven water hyacinth is used on the Long Cove Counter and Bar Stools, which is then rubbed with a Toffee finish to add burnishing and warmth. Select Long Cove woven upholstered pieces come standard in the Toffee finish only.

Caring for your Lexington Home Brands Furniture

WOOD

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish – always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly – do not use a brass cleaner (it will damage the lacquer)

WICKER

- Vacuum gently or brush with a soft bristle brush.
- Clean acrylic fabrics with mild soap and water.
- Fluff cushions periodically to maintain original fullness.

UPHOLSTERY: See the Lexington Upholstery and Leather Catalog for more information on cleaning and care for your product. Available from your retailer, by visiting lexington.com or by phoning **336.474.5300, ext. 2**. For current fabric information, see your Lexington Upholstery dealer.

CAUTION: Never remove cushion covers (excludes Slipcovers) for separate dry-cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.
