LEXINGTON

Relaxed neutral backgrounds, a comfortable blending of natural materials, and light wood tones serve to create an environment that is pleasing to the eye...and the soul. Monterey Sands finds its inspiration in understated West Coast style. Clean architectural lines lend a fresh look to the casual elegance of transitional design.

The collection is crafted of Grey Elm veneers, gently wire-brushed to highlight the distinctive grain lines. The sandy brown Cambria finish is rubbed with an oyster white finishing glaze to accentuate the depth and character of the wood. Custom hardware and decorative metal accents feature a rich burnished bronze finish.

CARING FOR YOUR FURNITURE

WOOD

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish - always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly - do not use a brass cleaner (it will damage the lacquer)

UPHOLSTERY

See the Lexington Upholstery and Leather Catalog for more information on cleaning and care for your product. Available from your retailer, by visiting lexington.com or by phoning 336.474.5300, ext. 2. For current fabric information, see your Lexington Upholstery dealer.

CAUTION: Never remove cushion covers for separate dry-cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.
