OUTDOOR LIVING

Blue Olive

Tommy Bahama OUTDOOR LIVING

Defined by its distinctive channeled herringbone design of all-weather wicker, the savvy styling, clean contemporary lines and luxe comfort of Blue Olive from Tommy Bahama Outdoor Living creates a new benchmark for today's al fresco entertaining. Aluminum frames feature a unique textured finish, covered in an exclusive Tommy Bahama coloration of synthetic wicker that fuses five distinct hues into each strand. Weatherstone™ tops replicate the look and texture of natural slate. Plush WeatherGuard™ cushions provide remarkable comfort and durability. Create the chic outdoor living space of your dreams with the casual contemporary style of Blue Olive.

Blue Olive Rectangular
Cocktail Table
 58W x 28D x 19.25H in.

The rectangular design of the Blue Olive fire pit makes it ideal for settings using flanking sofas or a grouping of lounge chairs. The base features the signature channeled herringbone design in all-weather wicker, and the custom Weatherstone™ top replicates the texture and appearance of natural slate.

When not in use, the optional cast aluminum burner cover features the Tommy Bahama logo, framed by a pattern of woven wicker and a perimeter of bamboo. This cover protects the burner area from rainwater and the elements.

The optional tempered glass flame guard is designed for wind abatement. In coastal and mountain areas, wind gusts can blow flames horizontally. The removable flame guard was designed for use in those cases.

Buffet/Console Table
60W x 18D x 32H in.

The Blue Olive 60" buffet/console is both elegant and practical. Behind the two doors are four adjustable shelves for electronic components or storage. The inset custom Weatherstone™ top comfortably supports a video monitor for outdoor entertainment.

The Blue Olive bar is the perfect piece for anchoring your entertainment area. Its custom Weatherstone™ top offers a generous serving area, complimented by remarkable storage on the back side. There are two locking doors with a pair of adjustable shelves behind each. At the top are two drawers with an open compartment in between that accommodates three adjustable shelves. The bar height is designed for the 3230-17SW counter stool.

Extra Ballast Weight
30 pounds; not shown

Umbrella canopies are 11-foot diameter and double wind vented.

* Canopies have two silk screened Tommy Bahama logos (shown above) and one color ink as noted.

* The extra ballast weight is for stability against winds, but is not required for use with umbrella stand.

All aluminum umbrellas are auto-tilt and have the distinctive scripted TB monogram on the crank handle.

The Final Touches program is a collection of options that can be selected to create your custom outdoor upholstery at **NO CHARGE**.

Simply choose your seat fabric to determine the graded price, then select any combination of the following options to create your unique custom outdoor upholstery:

Contrast with FABRIC....using any fabric Grades A-B-C-D-E

- on both sides of standard throw or kidney pillows
- on one side of standard throw or kidney pillows
- on back cushions (where standard)
- on kidney pillow borders

Contrast with WELT....using any fabric Grades A-B-C-D-E

- on standard throw or kidney pillows
- on back cushions
- on seat cushions

Contrast with TRIM....on standard throw or kidney pillows

- add outdoor decorative fringe
- add outdoor decorative cord

ADDITIONAL DECORATIVE PILLOWS

**8881-18
Throw Pillow**

Available fabric grades: A, COM, B, C, D, E, F, G, H.
Contact a Tommy Bahama Outdoor dealer for further details.

**8881-24
Throw Pillow**

24W x 24H in.
If contrast welt is not specified, self-welt will be applied.
Contrast welt available at upcharge. Fringe or cord available at upcharge.
Dual fabrics are priced at a higher grade.
Available fabric grades: A, COM, B, C, D, E, F, G, H.
Contact a Tommy Bahama Outdoor dealer for further details.

NOTE: Pillow fill is 100% all-weather fiber with water resistant ticking that is thermally sealed to prevent water penetration.

Your choice...no charge. Final Touches No Charge Options applies to all custom outdoor upholstery frames. When using a seat fabric in Grades F-G-H, contrasting fabrics and welts at the same grade or below are included in the base price. However, if the seat fabric is Grades A-B-C-D-E, contrasting fabrics and welts in F-G-H require an upcharge. See dealer for pricing.

Paradise Pillows

Paradise Pillows feature signature Tommy Bahama designs to enhance any outdoor setting. They are available only as shown. The pillow fill is 100% all-weather fiber with a water resistant ticking that is thermally sealed to prevent water penetration. The same designs are utilized on coordinating Island Ottomans, meaning the AA designation has the same graphic design on the pillow face as the seat of the slipcover ottoman. The fabric on the pillow back matches the fabric on the welts and skirts of the ottoman.

Island Ottomans

Island Ottomans feature signature Tommy Bahama designs to enhance any outdoor setting. They are available only as shown. Frames are rustproof aluminum, on casters, covered with a padded surface. Slipcovers slide over that padded surface. Island Ottomans and Paradise Pillows coordinate, meaning the AA designation represents the same graphic design on the pillow and ottoman.

THE FINEST MATERIALS

CAST ALUMINUM FRAMES

Tommy Bahama Outdoor Living frames are engineered for strength and built to last using endurance cast aluminum. Joints are precision-welded for strength and durability and then ground and polished by hand to ensure a smooth and seamless look.

ALL-WEATHER WICKER

Tommy Bahama all-weather wicker is crafted from the finest man-made materials and custom designed in exclusive colors, shapes, sizes and patterns to our exacting standards. It is entirely woven by hand, capturing the timeless and classic look of natural wicker or rattan, with exceptional durability. The material is made of high-density polyethylene, a recyclable material with great tensile strength. It is highly resistant to UV exposure, mildew, fading, staining, stretching and cracking. Tommy Bahama all-weather wicker is easy to maintain by cleaning with a mild solution of soap and water.

CUSTOM FINISHES

Finishes on Tommy Bahama Outdoor Living products are specially formulated, with custom base coats and painstaking handwork, to achieve a unique look. Ultra-durable polyester resin powder-coated finishes are baked on cast aluminum frames, ensuring that they are colorfast and highly resistant to damaging UV rays. Finishes are also corrosion and scratch resistant. The element that sets these designs apart is meticulous handwork using techniques like dry brushing, padding and burnishing that result in a product that is virtually indistinguishable from fine interior home furnishings, yet built to endure the elements.

WEATHERSTONE TOPS™

The Weatherstone™ top is a man-made product that showcases the best attributes of natural stone, while offering exceptional durability. Tops are UV resistant, stain resistant and protected with a polyurethane sealant that significantly reduces the need for cleaning and maintenance. They are manufactured using a unique composite of fiberglass and concrete, making them extremely strong. All Tommy Bahama Weatherstone™ tops feature exclusive designs, textures and colors. Each top is finished by hand, with artisans recreating the natural character of stone on each top. Because they are hand-finished, no two are exactly alike.

PERFORMANCE FABRICS

Creating a seamless transition from an elegant interior décor to a stylish outdoor space is the essence of refined living today - and blurring the lines between indoor and outdoor living lies in merging beauty and durability. Fabrics must have the sophisticated look and luxurious hand of residential textiles, plus the performance technology to withstand the most extreme outdoor conditions.

The Tommy Bahama Outdoor Living program includes fabrics and trims from industry leaders in performance technology. A “performance fabric” is one with the following attributes:

- Fibers that are solution-dyed to the core, rather than simply on the surface
- Colorfast dyes that are highly resistant to fading from UV exposure
- Fibers that are inherently resistant to mold and mildew
- An extremely tight weave to withstand the wind and elements
- A durable finish for superior stain and water resistance

The Tommy Bahama Outdoor Living program is unique in the industry for its wide-ranging assortment of exceptional performance fabrics and correlating trims, offering the ability to customize upholstery whose impeccable tailoring, seating comfort and designer looks are equally at home, indoors or out.

WEATHERGUARD™ UPHOLSTERY CUSHIONS

The exclusive Tommy Bahama Outdoor Living WeatherGuard™ cushion is engineered to be highly water resistant, mildew resistant and anti-microbial, while offering the most ultra-comfortable seating in the industry. In fact, the comfort is superior to the cushioning on most fine indoor upholstery. The unique construction consists of (4) distinct layers.

- The inner core is 1.8 lb. density, high-resiliency foam that provides unparalleled support, functioning like a box spring in premium bedding. It is both mold and mildew resistant.
- The second layer is soft-cell foam, designed to provide a relaxed but supportive seat, like a plush mattress.
- The third layer is spun polyester fiber, which is inherently anti-microbial and functions like a pillow-top, offering down-like comfort and a luxurious “crown” to the cushion.
- The fourth layer is a wrapping of water resistant non-woven ticking with a Tommy Bahama watermark to verify its authenticity. This ticking is thermally sealed to prevent water penetration into the layers below.

Seating comfort is one hallmark of the Tommy Bahama Outdoor Living program. The exclusive WeatherGuard™ cushion is your assurance that the quality, look and longevity of the cushioning will match its unsurpassed comfort.
