FURNITURE

SUMMER HILL

Stylish without being snobby, Summer Hill is both fresh and familiar. Timeless silhouettes combine with metropolitan sensibility in a relaxed, leisurely attitude. Summer Hill welcomes impromptu get-togethers with family and friends or an occasional day of working from home.

Crafted of hardwood solids and maple veneers, Summer Hill's lightly distressed, deep Midnight finish features subtle rub-through that speaks of years of loving service. Select pieces in Dusk, a painted gesso in shades of gray and beige, add to the sense of heritage. Simple, straightforward lines with softened edges invite relaxation, while exquisite details signify a sophisticated sense of style. Box-mitered bead moldings, stylized Italian legs, overlay panels, and woven accents create interest, while custom oval ring-pull hardware in aged pewter adds contemporary appeal.

With a focus on functionality, Summer Hill is scaled for smaller living spaces. Its versatile pieces are adaptable and designed to multi-task, moving effortlessly from room-to-room or even home-to-home.

Summer Hill represents comfort and an easy style of living for a casual state of mind.
