**KINCAID**  
SOLID WOOD SINCE 1946

It's been said that "things aren't made the way they used to be," but at Kincaid, that's not exactly true. While enhancements have been made since the company's beginnings, Kincaid still uses solid wood construction, wood-on-wood drawer movement, and hand rubbed finishes. At Kincaid Furniture, things are made the way they used to be, maybe even be a little better.
