

NOTICE TO CUSTOMERS

Please Read Before Entering Our Store

Thank you for choosing to visit Walker's. We look forward to serving you. In these challenging times, Walker's is making every effort to protect the health of its customers and its team members, while continuing to provide the best possible shopping experience. In order to protect you and our team, we ask you to observe the following guidelines while inside our store:

- If you have a fever, are experiencing cough or shortness of breath, or believe that you have been exposed to someone who has COVID-19 related illnesses within the last 14 days, please wait and visit our store at another time.
- Please make use of the hand sanitizer provided just inside the door as you enter the store.
- Our team members are wearing facemasks in order to comply with CDC Guidelines.
- Please observe social distancing and maintain at least 6 feet between our team members and yourself, and other customers that are not part of your household.
- Please cover your mouth and nose when you cough or sneeze with a tissue or use the inside of your elbow.
- Our team members are not allowed to shake hands, or otherwise engage in personal contact, please do not be offended.
- Please do not enter any of our workspaces; please limit your movement to the showroom floor.
- There are tissues and disposable wipes on hand, and every store has at least one no touch receptacle for disposal of waste; don't hesitate to ask if you need help finding it.

Once again, thank you for visiting us today, and thank you all the more for working with us to make your shopping experience a safe one. We're all in this together!
